Thomas Dameron

The Lobster Research, Education and Development Board has allocated some funding to lower the cost of the Course with those instructors who have signed a contract with the Department.

It is your responsibility to provide the Department with documentation of successful completion of the Fishing Vessel Drill Conductor Training Course.

Documentation and any questions regarding how this requirement affects you should be directed to:

License Eligibility Specialist
Department of Marine Resources,
21 State House Station
Augusta, ME 04333
(207) 624-6549
